Mr. Lucas made it clear that no decisions had been made on this resolution the purpose was to notify the residents exactly what the Board would be voting on at the regular meeting regarding the tax roll. The following residents made the following comments: Sunshine Lambert of 3376 Oak Park Dr. expressed through a letter/attended the zoom meeting that vacant parcel owned by she and Michael Popovitz should not be included in the tax roll and would the Board consider holding the project off due to the financial strain of COVID-19. And with only approximately 53% of the residents wanting to move forward that there seems to be a lot of uncertainty yet among the residents. Virginia Miller of 3522 Oak Park Dr. spoke on behalf of she and Kyle Miller that they agree with Sunshine Lambert statement regarding COVID-19. Chris Chapin of 3515 Oak Park Dr. respects each homeowner's opinion. He would like to see the project move forward that if pushed off the cost of the project may be more costly for everyone.
