**New Business**

A. Items from the Board

1. Township Clean-up, decent turnout, small; only used one truck.
2. David Finkbeiner, Special Use Permit application. Continue to have used asphalt (millings) on site and some sales. Screening in being done. Limit to 500 tons. Not a steady influx; no excretion.

Motion by Hammond, schedule a public hearing for December meeting. No discussion; voice vote in favor of motion.

B. Other.

None.

**Old Business**

- A. Cedero and Fetters, not present. Nothing additional from DTE. Jack Mitchell, neighbor, says the requested tower is too close to the wires. Ordinance (Sec. 11.11 and 11.12) states not less than one mile from another communications tower; there is a tower at the end of Johnson Road, less than a mile away. Other options are available.

Need to clarify towers; need response from DTE. Will follow-up with applicant.

- B. KBK & Clink, re: asphalt millings. 200 tons, primarily used for customers' landscaping. Public hearing not necessary; amending type of materials being stockpiled on site. We can limit the amount. 500 tons equals 10 gravel trailers. Both have submitted an amendment, fee to be waived. Planning Commission will schedule approval for December meeting.
- C. Other.  
None.
