PROPOSAL SUMMARY:

State of Michigan Proposals

Proposal 2026-01

A proposal to convene a constitutional convention for the purpose of drafting a general revision of the state constitution Shall a convention of elected delegates be convened in 2027 to draft a general revision of the State Constitution for presentation to the state's voters for their approval or rejection?

Proposal 2026-02

A proposed initiated law to prohibit campaign contributions from certain regulated utilities and government contractors and apply campaign finance laws and regulations to additional types of political communications The proposal would: • Prohibit regulated electric and gas utilities, contractors with over $250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them. • Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them. • Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Saline Area Fire Authority

Fire Millage Resolution Shall millage 2.980 mills ($2.98 per $1,000 of taxable value) be levied for 10 years, 2026 through 2036 inclusive, for the purpose of operating fire and rescue services for the municipalities served by the Authority, such millage to be used to operate, maintain, upgrade and acquire fire equipment and to hire, train and pay for fire personnel, raising an estimated $6,520,112 in the first year the millage is levied.

Clinton Community Schools Operating Millage Renewal Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2026 tax levy. Shall the currently authorized millage rate limitation of 18.487 mills ($18.487 on each $1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Clinton Community Schools, Lenawee and Washtenaw Counties, Michigan, be renewed for a period of 6 years, 2027 to 2032, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2027 is approximately $1,580,000 (this is a renewal of millage that will expire with the 2026 tax levy)?
